

## GUARANTEE

This FINLANDIA SAUNA heater is guaranteed for one year from date of purchase, including all heater parts such as heating elements, controls, contactors, etc; and five year's factory labor.

This guarantee covers faults in manufacture and material only, and includes the exchange of new parts supplied by the manufacturer or manufacturer's agent, after the faulty part has been returned to same. The replacement of parts under warranty does not extend the warranty period beyond the original one year.

FINLANDIA Sauna rooms are warranted for 1 year from date of project substantial completion, including repair or replacement of defective workmanship or material. All work was completed according to plans, specifications, contract documents, and applicable codes.

The guarantee does not cover defects caused by normal wear and tear, defects caused by improper installation, poor maintenance, or failure to follow the manufacturer's instructions for installation, use, and care, or alterations made to the Sauna product.

This guarantee is void if the heater is used improperly: pool or spa water should not be poured over the Sauna stones, as chemicals are harmful to the heater; the Sauna room must be heated for at least 30 minutes before water is poured over the stones; only one or two dippers full of water should be poured over the hot stones at one time. This guarantee will be void if a shower has been installed in the Sauna room.

The guarantee does not cover delivery costs of the faulty part, or costs of the person carrying out the repair in the field. If the Sauna heater is returned to the manufacturer or manufacturer's agent in Portland, Oregon, within five years after date of purchase, the agent will provide free labor for repair, but will charge for parts if date of purchase is past one year.

This guarantee will be void if installation and wiring is not carried out by a certified electrician or authorized and qualified service representative, who must sign below.

This guarantee will be void if it is not filled out and returned within 15 days of purchase, and it applies only to original installation of product and to original purchaser.
