**EXCITE THE SENSES** WITH OUR NEW GENERATION OF PRODUCTS!

Enjoy quality and value with a Heritage Sauna. Meticulously constructed from premium Finnish Spruce and Aspen, or full Western Red Cedar, these saunas are designed for usability, but built for durability. Enjoy the attention to detail that only a true Finnish Sauna has. Heritage's easy to assemble design allows you to put-together in hours instead of days. The pre-built construction also allows you to relocate the sauna at a later date if you choose.

### Harvia KIP & Cilindro Series Sauna Heaters

Made in Finland, Harvia heaters give you Stainless Steel elements for long-life and a larger rock capacity than many heaters. In addition you get a full Stainless interior and exterior. The deep rock chamber and generous rock capacity produce soft heat and great steam when desired. The KIP-B and Cilindro-B models features built-in mechanical controls with a 1-8 countdown timer, while the KIP-W and Cilindro models offers the powerful Xenio digital control that can be installed inside or outside of the Sauna room.
